

Prairie Creek Redwoods State Park

127011 Newton B. Drury Parkway • Orick, CA 95555 • (707) 465-7347

Magnificent groves of coast redwoods, among the tallest trees in the world at three hundred feet and more, adorn this 14,000-acre park. Set aside in the early 1920s by the people of California and the generosity of the Save-the-Redwoods League, Prairie Creek is a sanctuary of old growth coast redwoods.

FOOD STORAGE and items with a scent (soap, shampoo, lotion, etc.) must be stored in your vehicle or in the bear proof lockers. Wild animals scavenging for human food in the campground make the park unsafe for humans. Park regulations prohibit the feeding of wildlife.

PARKING at campsites is limited to two vehicles in the designated parking space only. Additional vehicles must park in the designated overflow area.

QUIET HOURS are from 10 p.m. to 6 a.m. Generators may only be operated between 10 a.m. and 8 p.m. To ensure an enjoyable experience for everyone, please do not disturb other campers, regardless of the time of day or night. Radios and other sound-producing devices must not be audible beyond your immediate campsite.

CHECKOUT TIME is noon. Please vacate your site by that time.

DOGS must be kept on a leash no longer than six feet and under control at all times. Dogs are allowed on the beach, and on paved roads. Dogs are not allowed on any of the trails. Pets must be confined in a vehicle or tent at night.

FIREWOOD is sold in the bookstore and in the campground. Wood gathering in the park is prohibited.

FIRES are allowed in campfire rings only and should not be left

unattended. No open fires on the beach and undeveloped areas of the park. All fireworks are prohibited.

RECYCLING CONTAINERS are located throughout the campgrounds and picnic areas. Please do your part for the environment and separate your recyclables before disposing of your trash.

MOUNTAIN BIKES are permitted on designated bike trails only.

PLANTS, FLOWERS, mushrooms, natural scenery and animal life are protected by law from human disturbance of any kind. Do not feed wildlife.

NORTH COAST REDWOOD INTERPRETIVE ASSOCIATION is partner with California State Parks to provide funding for education and interpretation. Visit our nature store in the visitor center. We will be pleased to assist you in making the most of your trip to see the redwoods.
